# Online ways to spread the GNOME word

On April 18<sup>th</sup>, 2017

More than 1.3K students

The screenshot shows a website interface for 'BACKTRACK ACADEMY'. At the top, there's a search bar with a magnifying glass icon and a navigation bar with links for 'VUÉLVETE PRO!', 'Cursos', 'Carreras', 'Registrar', and 'Iniciar Sesión'. On the left, there are several icons: a hexagon with 'BACKTRACK ACADEMY', a plus sign, a document, a speech bubble with '3', and a trophy. The main content area features a large 'f' logo inside a circle, followed by the text 'INICIANDO EN GNU/LINUX.' and a button '+ EMPEZAR SUSCRIPCIÓN POR 18 USD'. Below this, there's a section titled 'Acerca de este curso' which describes GNU/Linux as a system that originated in the 1990s and is popular among servers and supercomputers but less so among individual users due to commercial and educational factors. There's also a section for 'Primeros pasos en GNU/Linux.' with two video thumbnails: '01.- Programa de iniciación GNU/Linux.' (32:10) and '02.- Generalidades de GNU/Linux y comandos básicos.' (40:25). To the right, there's a section for 'Instructor Certificado' featuring a profile of 'Julita Inca' (Ingeniero de Sistemas UNAC, M.A. in Computer Sciences PUCP), her photo, and a brief bio. It also lists the course duration (05:06:20), number of students (Más de 1.341 alumnos), and level (Básico). A button 'ACCEDER GRATIS AL CURSO' is at the bottom.

# GNOME Peru Challenge 2017

A group photo of GNOME Peru Challenge participants at an event. In the center, a woman holds up a red balloon with the GNOME logo. The text "GNOME Peru Challenge Semester 2017 - 1" is overlaid on the image. Below the photo, there are three navigation links: "NOVEDADES", "ALUMNOS", and "INFORMACIÓN". On the right side of the photo, there is a sidebar with the email "yrazes@gmail.com", a "Seleccionar tema" button, and a "Subir foto" button.
